Where did you hear about us?
ENQUIRY ONLY or PROCESS APPLICATION

This page does not need returning and is for use as a check list and further information

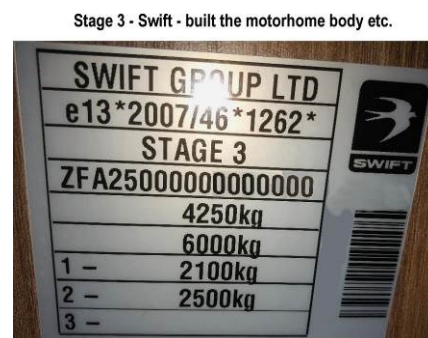

Example of VIN Plates and their location.

Fiat/Citroen/Peugeot plate. Found in Engine bay

ALKO VIN plate next to Fiat plate in engine bay

Motorhome VIN plate found around door area or behind seat.

** The motorhome Manufacturer's plate can sometimes be hard to find and, for older vehicles or van conversions, may not have one. Similarly if your vehicle doesn't have ALKO suspension, you may only find the Stage 1 plate and the Motorhome manufacturer's plate. Please send photos of all the VIN plates you find. ** Not the one in the window

What suspension do I have?

Leaf Spring

ALKO Torsion

Leaf Spring with Air

Section C – Documents to include with your application.

- Pg1 of this form, complete with full address details for the person to be invoiced.
- Photos of all VIN plates – without these your application cannot be processed.
- For a downrate, we require a weight ticket and, if over 3100kg, a declaration sheet from our website. <http://www.svtech.co.uk/wp-content/uploads/2017/03/Confirmation-Sheet-for-Motorhome-downrate.pdf>
- Copy of vehicle logbook – Inside page 2 required only. (not essential but helps us advise of changes).
- Where suspension changes have been made (i.e. air assist) please also include details of make and manufacturer's model number. Please also include a photo of this as fit to the vehicle.
- For **home-build** conversions, that are not on the DVLA records as a motor-caravan we require:
 - o Photos of inside and outside of vehicle
 - o Details of any changes made to brakes, suspension or chassis.

Disclaimer

By submitting this from I declare that, to the best of my knowledge, the above information is a true description of the vehicle. I understand that failure to disclose information or the vehicle not being to this condition may cause the application to be refused.
